Confidence.

Choosing an engine supplier is a crucial element in the success of your business. You want the confidence that you will receive high-quality engines at a fair price with an excellent warranty from a company that has staying power. This is the kind of confidence we supply. As one of the world's largest engine remanufacturers, we've been remanufacturing engines for the automakers themselves for over 70 years. Now we're remanufacturing engines for you too. Because we remanufacture hundreds of engines per day, we are able to offer you a pricing structure that represents true value.

With our industry-leading technology, the engines we produce have no equal. But don't expect to pay more for our high quality engines. Since 1942, we've been leading the industry we helped create. That's another reason you can put your confidence in us – and our excellent warranty. Call today to find out more about the best engine remanufacturer you've never heard of. We build confidence.
